

Internal/external rodent resistant FO cable for use in cable ducts and direct burial application

Internal/External FO cable, with galvanized steel wires armour, 4f, SM 09/125 OS2, LSZH, 4000N, black

SPECIFICATION

| | |
|-----------------------------|--|
| Fiber quantity | 4 fibers |
| Cable design | Round cable with galvanized steel wires armour |
| Cable Outer Diameter, mm | 6.5 mm |
| Outer Jacket Material | UV-LSZH |
| Fiber type | SM 9/125 OS2 |
| Fire safety | П1б (testing acc. to ГОСТ IEC 60332-3-22-2011) |
| Jacket colour | Black |
| EN50575 CPR Cable EuroClass | no |
